

Welcome to our campsite!

The following rules are meant to ensure that you and the other guests feel comfortable. We hope you will enjoy your stay at our campsite.

1. Please register at the reception as soon as you arrive. Groups should be registered by their leaders. Please let us know during the registration, if you have got an additional tent, boat etc.
2. Casual visitors are requested to park their vehicles in the car park for visitors. Visitors who stay over night with a registered guest are charged with a fee, see pricelist.
3. The campsite hosts and other personnel are responsible for maintaining peace and order, and will assist if there are any problems.
4. All tent equipment of normal type and size is permitted. However, it is not allowed to set up so-called tent houses of a permanent type. Caravans shall be authorised for use with a motorised vehicle.
5. It is not permitted to use own fixtures outside of the tent or caravan, such as fences and barriers. Please ask us if you are not sure whether something is permitted or not. Please make sure that gas and electric equipment is tested and approved according to the applicable regulations.
6. Do not disturb the other campsite guests by driving motorised vehicles more than absolutely necessary. Drive at walking speed and as short distances as possible. Turn off the engine as soon as you stop your car.
7. The general rule at the campsite is to show consideration. Disorderly conduct is not permitted. It should be quiet between 11 pm and 7 am. During this period it is not permitted to drive to the pitches and cottages (stugor) 1-8 with motor vehicles. Park your vehicle in the car park for visitors instead.
8. Help your children to find places which are suitable for playing and ball games. It is not allowed to throw or kick around a ball among tents and caravans.
9. Dog owners are requested to show as much consideration as possible towards the other guests. Keep your dog on a short leash, walk it in the designated area or outside of the campsite and pick up after it.
10. Selling items next to and at the campsite is not allowed.
11. Please help us keep the campsite clean and free of litter. Use the waste bins that are available at the campsite. Please do not throw hot ashes or other inflammable items into the waste bins.
12. Leave the common areas (WCs, washing and shower rooms, kitchen and dishwashing room) in the same state in which you would like to find them.
13. Carwash is not allowed.
14. Departure pitches: Unless otherwise agreed with the reception, the camping pitch shall be vacated and cleaned before noon on the day of departure, as new guests will be arriving. We appreciate your giving us notice of your departure day in good time, especially during the high season.
15. Departure cottages (stugor)/lodge/glamping tent: Unless otherwise agreed with the reception, the house shall be vacated and cleaned before 11 am on the day of departure, as new guests will be arriving. We appreciate your giving us notice of your departure day in good time, especially during the high season.
16. The campsite host and personnel are not liable for damages to or loss of property of the campsite guests. Those responsible for damages to buildings, materials or guests' property can be held liable
17. We request that all campsite guests show consideration to each other and help each other to maintain order. In the event a guest does not comply with these rules, the personnel will be required to take actions.
18. Please take care of the environment – it needs your protection.
